**CORRECTION OF ENTITY STATUS AND CORRECTIVE PAYMENT OF FEES**

Sir:

In connection with the above-referenced application and patent that issued therefrom, it has recently come to Patentee's attention that both the issue fee and the first maintenance fee were inadvertently paid in small-entity-status amounts. This was done without deceptive intent, and Patentee is hereby acting promptly to remedy this good-faith mistake. Per 37 C.F.R. § 1.28, Patentee hereby submits an itemization and calculation of the deficiencies in payment. Patentee hereby authorizes and respectfully asks the Office to charge the fees listed in the "Difference" column below (totaling \$1300.00) and any underpayment, and to credit any overpayment, to Deposit Account No. 132490. And Patentee hereby explicitly notifies the Office that Patentee is no longer entitled to claim small-entity status.

Fee Type	Amount Paid	Current Large-Entity Fee	Difference
Issue Fee	\$700.00	\$1510.00	\$810.00
3.5-year Maintenance Fee	\$490.00	\$980.00	\$490.00
		<b>Total:</b>	<b>\$1300.00</b>
